Senior Class Works Through

The morning of July 4th the Seniors and their parents started by setting up the tent for the watermelon stand, donated by Blessing's National Vault Company of Ashley.

The Senior boys pose just before unloading the watermelons.

The car-smash proved to be a great success. At the end of the 4th of July the car which was donated by Silas Nodine, was totaled.

A few of the Seniors getting the stand ready for business.

the Summer for Their Trip

Joe and Scott are helping to assemble the Bobo stand.

Another of our projects for the 4th of July was the Bobo stand.

Don Dennison turned blue after being dunked consecutively.

Bobo Joe Lewis drawing in the crowd.

Cindy, Penny, and Cheryl sample our delicious pies at the Senior pie stand, in front of the Police Station during the Waterloo Sidewalk Days.

W.H.S. Activities at the Auburn Fair

A great turnout from all classes came to cheer on our queen.

The Auburn Fair was highlighted by the beautiful queen ceremony.

Sarah and John were two of the many classmates who helped at the stand to sell tickets for our organ.

W.H.S. was well represented at the Auburn Fair by their band.

Band and Chorus Participates in Many Concerts

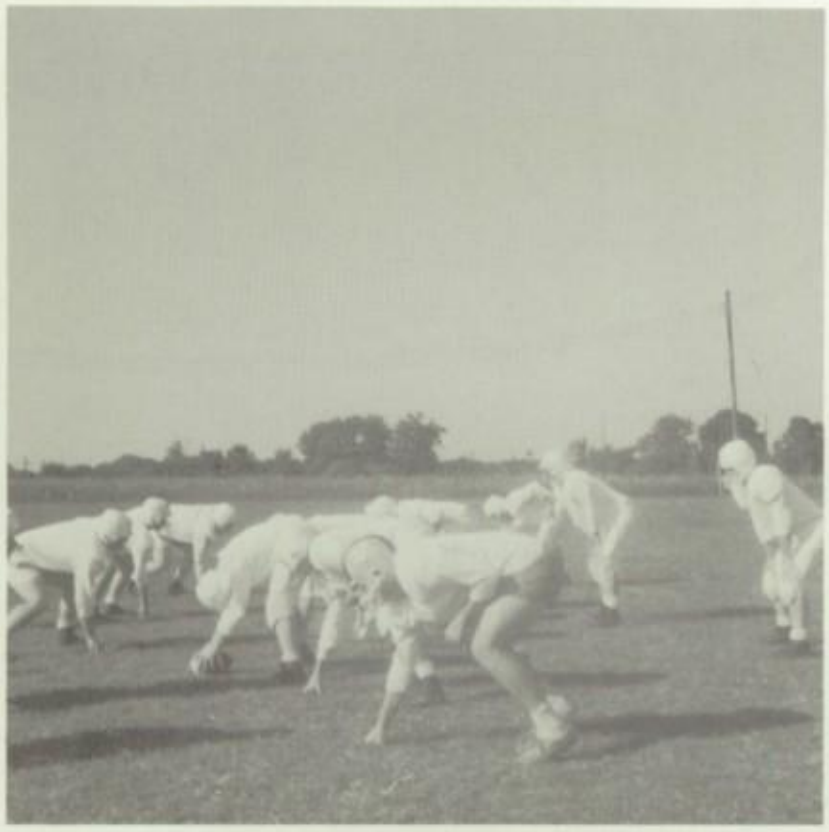
The saxophone section added to the Spring Concert with their solo.

The band played a variety of selections at the Christmas Concert.

The Chorus diligently planned and prepared for the Christmas Concert.

The Chorus contributed greatly to the Christmas Concert with their many songs.

Sports Around



This is Waterloo's second year in football. This is Waterloo's great offensive team getting ready to move for an easy six points.

Big tall Mike Fee goes up after a tip against Albion. The Wildcats put up a great battle but were defeated by a small margin.

Some of our fast track stars, show off some of their many talents.

the Seasons

The Waterloo pole vault twins are pictured just before they placed second and third in the Junior Champ Track Meet at New Haven, Indiana.

In order to go to State they had to place 1st in some event. Gene placed first in pole vaulting and Dean won the 100 yard dash. At the J. C. Track Meet Dean's record was 12'3" and Gene's was 12'0".

The Baseball team is shown warming-up on a cold, wet day.

Steve Slentz is one of the big guys of our track team. He is shown demonstrating his terrific strength in shot putting.

Classes Teach Many of

The shop class teaches boys many crafts, such as wood-working.

Home Economics teaches the girls the fundamentals of home-making.

The Typing I class teaches the basic principles of commercial education.

the Vocational Needs

Mr. Snider, our guiding counselor helps us to choose our vocational field.

W.H.S. wouldn't be complete without some mention of our famous study halls.

Bonnie Friend and Carole Boggs compare problems in Geometry class.

These students seem to be engrossed in a film being shown in their Geography class.

W.H.S. Welcomes Their First Student Teacher

Mr. Gordon Gouviea was a graduate from the 1959 class of Aubum High School. After participating in the National Guard, he enrolled at Indiana University, in which he is now a Senior. During his senior year at I. U., he was sent to Waterloo High School to complete his student-teaching program. He was put under the direction of Mr. Bourquin, who teaches us History, Government, and Economics.

We were very honored to have Mr. Gouviea with us during his short stay. We the student body wish to thank him for his hard work and co-operation in dealing with us.

Mr. Gouviea takes over the teaching of American History.

Mr. Gouviea caught napping.

W.H.S. Students Hold Their Annual Mock Election

The Government Class holds mock elections every two years. The Junior precinct was held in the shop.

The Seniors have learned much about the democratic process through these mock elections. Each Senior had his own job as a polling officer in a precinct.

The Sophomore's precinct was held in the Guidance Office.

The decorations added much to the elections. A beautiful job was done by both parties.

Art Inspires Students with Creative Minds

These Seniors transfer their own personalities into modern artistic creations.

This creative artwork adds beauty to the music of the Spring Concert.

The Art Department displays their artistic ability at the Art Exhibit.

The English Department Attends Shakespeare's "The Taming of the Shrew"

The characters are shown in the last act of "The Taming of the Shrew."

One of the bus loads of students are shown getting ready to leave for Fort Wayne.

The stage is set for the marriage feast of the two daughters, Katharine and Bianca.

On Wednesday, December 14, 1966, a group of one hundred Waterloo students went to Fort Wayne to see the Shakespearian play, "The Taming of the Shrew." The play was put on at the Civic Theater for students only before its actual opening to the public the next evening.

Although many of the students had never seen a play of this type before, it was enjoyed by all.

The play had two main plots involving the love of the youngest daughter, Bianca, and the handsome, Lucentio. The conflict comes when Katharine, the eldest, must be married first and no one will marry her because of her awful temper. At long last, Vincentio marries Kate for her money and tames her undesirable disposition leaving Bianca free to marry her beloved Lucentio.

Although this type of plot has been used before many times before, Shakespeare has displayed it in "The Taming of the Shrew" with great success.

Language Meetings Are of a Special Interest to Its Members

The French Club was privileged to have Kathy Gerig as a guest speaker. She talked to the members about her recent trip to France.

The Spanish Club was also fortunate to have a speaker from Auburn who spent last summer in Spain. Miss Glasglow told them of the Spanish people's customs and rituals. Afterwards they all enjoyed refreshments.

Familiar Eating Places and Hangouts

The Senior candy store is very popular during the noon hour. It draws in students of all ages.

The teachers and students enjoy their delicious meal in our small, but useful cafeteria.

Many students congregate at the C. B. for a snack before going home.

Students discussing their orders with waitress, Janet Bolen.

Seniors Caught in the Act

The long arm of Mr. Stump rules with supreme power.

John Rufner follows in his father's footsteps, as a great fireman in the line of chemicals.

Does Steve really like to slide? Yes! Only into ditches and down banisters.

This is a typical English class. There are all writing outdoor essays.

ORGANIZATIONS

Rosebud Staff Plans, Prepares, 'Sweats Blood' Over Largest Annual in History

SEATED: Kevin Pressler, Business Manager; Janell Myers, Co-Editor; Jackie Walter, Editor; Mr. Fries, Sponsor.

The girls are working diligently to finish the Rosebud.

"If I get that page back one more time, I'll slash my wrists" . . . "And what's wrong with a balanced layout" . . . "How in the world are you going to make that horizontal picture fit in that vertical space?" . . . "Not another telegram from the publisher!" . . . "And how did you get the page numbers mixed up?"

As these typical remarks filled the tiny publications room in the gym, the staff scrambled desperately against time to produce the school's largest annual. Reluctant, however, to yield quantity for quality, the annual staff had a difficult time living up to standards already set in previous years.

Overcoming many setbacks, the Rosebud staff managed to add many new features to the book. The staff planned and executed more art effects and artistic photography, developed much broader coverage of school activities, and planned special photographic features.

Nervous breakdowns and mental collapses followed the last shipment of the annual.

Students Achieve Scholastic Honors

SEATED: Vicki Duesler, Marva Sutton, Mrs. Voelkel, STANDING: Paul Garrigus, Mary Hine, Jackie Walter, Barb Tuttle.

One of the highest honors that a student can have bestowed upon them at W.H.S. is to be selected as a member to the National Honor Society. Juniors and Seniors who are outstanding in the areas of scholarship, leadership, service, and character are eligible for membership in the National Honor Society.

The Honor Society is not an active club, but rather is a group of students who have been given an honorary distinction.

Student Council Members Help Govern School Affairs

The Student Council is composed of elected homeroom representatives from grades 7 through 12. This year the Student Council officers are: President, Rick Baker; Vice-President, Louise Farrington; Secretary, Paul Stepp; Treasurer, Jim Conrad.

Vocational Clubs Show the Way to the Future

The Future Teachers of America is a young organization at W.H.S. It has a fast-growing membership composed of juniors and seniors who explore the teaching profession. It gives each member a chance to observe and take part in the teaching of a class. During this school year, the F.T.A. worked in fund-raising projects to support a child overseas.

Last October the Waterloo F.F.A. team placed first in the county soil judging contest. Waterloo F.F.A. also participated in the dairy and livestock judging contests.

Some of the chapter's activities have been the cider sales, seed sales, pest contest, and a camping trip to Michigan.

4-H Displays Student Skill

The 4-H Club helps the boys and girls of De Kalb County to develop mentally, spiritually, and physically; and it provides numerous opportunities for the development of individual talents and for the initiation of hobbies.

We're Backing You Boys . . .

Cheerblock Officers: Pres. Sandy Pfefferkorn, V.P. Marcia Myers and Sec.-Treas. Barb Tuttle.

The Varsity performed for us during the Pep Session.

The Cheerblock this year was composed of eighty-four members, all of whom were very proud to have been a part of this organization. The Cheerblock has worked hard this year with the help of our cheerleaders and sponsor, Mrs. Yahne. Each class has added to the gaiety of our Pep Sessions, which always lift the spirits of the team and the student body. The Cheerblock has backed the team throughout the eighteen regular scheduled games and tourneys.

As usual another basketball season has come to an end, but the history of the "Wildcats" will never be forgotten. As time goes by, our motto for this year "We're Backing You Boys" will be for you, team, in whatever you may attempt in your future years.

Fans stand and enthusiastically sing their school song.

Fans go wild during the last few minutes of the game.

Fans patiently watch the varsity warm up as the game nears.

Girls Join the Cavalcade of Sports

ROW 1: Officers--Mary Jo Schlosser, Treasurer; Kathy Wolfe, Vice-President; Janet Bolen, President; Marcia Overmyer, Secretary; Mrs. Yahne, Sponsor.

The G.A.A. girls are shown practicing self-defense.

The G.A.A. started their last year at Waterloo High School with the installation of new officers and the initiation of the new members at the Auburn Free Fall Fair. These new members donned their best gunny sacks and entertained all with their musical and athletic talents.

Activities participated in this year were bowling, basketball, volleyball, self-defense, horseback riding and golf. As a reward for attending a majority of the weekly meetings, the girls traveled to Ft. Wayne to see "Dr. Zhivago" and also to various other localities.

During the year the G.A.A. took part in "play day" in which they met other schools.

The girls found the year most successful and ended it accordingly with an awards day and party.

Foreign Languages Broadened Our Knowledge of Abroad

This year, the second of the W.H.S. French Club, we doubled our membership with forty members. Some of the activities so far this year have been the Christmas Party, and a speaker from Auburn, Kathy Gerig, who toured France last summer. The club also plans to take a field trip to some part of French-speaking Canada.

The officers for the club were: President, Debbie Lumkins; Vice-President, Judy Dunn; Secretary, Marc Fisher; Treasurer, Pam Smith; Historian, Sandy Hurd.

The 1966-67 school year was a busy one for the Las Cucarachas. The interest for the first part of the year was centered on studying the customs of Spain and planning for the Christmas Party.

The officers of the year were: President, Paul Stepp; Vice-President, Fritz Albright; Secretary, Laura Walker; Treasurer, Jim Conrad.

The Band Entertains at All Ball Games and Concerts

The Waterloo High School Band participating in the DeKalb County Free Fall Fair.

The Waterloo High School Band, under its third year of direction with Miss Imogene Mavis, has certainly come a long way. During the 65-66 school year, the band had Spring, Summer, and Winter concerts. The band also went on a one-day tour just before school was out.

During the summer, the band had a fish-fry to help raise money for new band uniforms in the new school.

This winter the band not only had a successful Christmas concert, but they are planning another one-day tour. They are also hoping for a two-day tour in the future. In February the bands of Waterloo, Auburn, and Ashley plan to have a concert featuring their combined efforts.

The co-operation of all parts of the band in coming to the extra practices and for putting forth a "little extra" when it really counted has helped make the band the success it is this year.

The Chorus Sings Its Way to the Top of the Scale

BOYS OCTET

Dean Bard, Gene Bard, Paul Stepp, Bob Dygert

The Waterloo High School Senior Chorus has made a tremendous increase in its membership this year. During the 66-67 year the chorus was composed of sixty-four members compared to last year's forty-two members.

On December 15, 1966 the Chorus and Band held its annual Winter Concert. Then in the spring they held their Spring Concert, which was a great success. The Chorus also took a tour of the area schools in the spring.

Under the direction of Mrs. Voss, the Chorus meets on Tuesdays and Thursdays of every week.

At this time the members of the Chorus would like to thank Mrs. Voss for her help in making this year a most memorable one.

This year was the last for the Waterloo Wildcats. The Cats were very young and inexperienced at the start of the season. They got off to a slow start losing their first three games to Albion 60-62, a real heartbreaker, Hamilton 50-67, and West View 39-60. They then entered a winning streak, winning the next three games to Cromwell 88-34, Wawaka 68-48, and Ashley 47-42. The Cats then lost to Leo 47-51, and Eastside 44-60, before entering the Holiday Tourney, held on December 20 and 21. The Wildcats defeated Fremont in their first game. In the last game the Cats were defeated by Ashley, ranking them a second place at the Holiday Tourney. Under the experienced coaching of Mr. Bourquin the team steadily improved. They won their next four games to Fremont 58-57, a real thriller, Huntertown 59-57, a close game, Ligonier 62-50, and Edon 56-45. The Wildcats were then defeated in their next three games with Howe Military 64-66, a real disappointment, Churubusco 61-65, and Ashley 49-58. The team worked hard all season with their main goal being the sectional. Their sportsmanship and attitude at the games made the townspeople and fans very proud of them. Credit for a good season also goes to the cheerblock and fans, young and old, who backed the Wildcats.

A young, aggressive reserve basketball team maintained Waterloo sportsmanship ideals as they finished a mediocre season. Composed almost entirely of freshmen, the reserves possessed a well-balanced attack against their opponents for there was no telling which of the starting five would break into double figures. Although the year's record was not outstanding, the players did a tremendous job out on the court and represented our school, our spirit, and our capabilities in an appropriate manner.

Cheerleaders Create the Spirit

CLOCKWISE: Jo Voss, Kathy Wolfe, Sandy Miser, Marva Sutton.

Cheerleaders socialize with the opponents.

Waterloo cheerleaders have long made a good showing. Even when the team's score and spirits were low, our cheerleaders bounced up to put a new spark to the game. These girls did much to promote school spirit during the basketball season. They spent a lot of their time planning pep sessions, making posters to decorate the halls, and teaching the cheerblock many routines. We owe a debt of thanks to these high-spirited four for keeping the team and student body ready to go.

Jr. High Athletes: Our Hope for the Future

These boys have shown great progress this season. Their cheerleaders have backed them through wins as well as losses.

The Jr. High track team has also set high goals for the coming year. Their ability shows great potential.

Their enthusiasm has carried them to many successes.

ROYALTY

Miss Waterloo Claims Miss Dekalb County Title

Miss Jo Ann Voss, a lovely senior at Waterloo, was chosen by the Senior Class to represent our school at the 1966 DeKalb County Free Fall Fair.

Jo Ann was one of the six contestants who participated in this year's contest. The various schools who also took part were: Ashley, Auburn, Eastside, Garrett, and Hamilton. All these girls were competing for the title of Miss DeKalb County of 1966.

Late in the afternoon on September 29, the contestants appeared before the judges for swimsuit competition. They spent the early part of the evening at dinner with the judges. Each girl was individually judged on her personality traits. Following the annual queen parade they were judged in their evening gowns for their poise.

Next came the talent judging. Jo Ann did an excellent job with her arrangements of SENTIMENTAL JOURNEY and BACK HOME AGAIN IN INDIANA. The climax of the evening came when Jo Ann was crowned Miss DeKalb County.

Saturday, October 1, Jo Ann and her court were featured on a beautiful float donated by the Auburn Dairy in the Grand Finale Parade.

We wish to congratulate Jo Ann for bestowing this great honor upon our school and community. We want to wish Jo Ann the best of luck in the Miss Indiana State Fair contest this August.

Janet Bolen Crowned Homecoming Queen for 1966

Miss Janet Bolen the Queen candidate from G.A.A. and Cheerblock became Waterloo High School's Sweetheart Queen in a beautiful ceremony on Saturday evening, March 26, 1966. Janet was chosen from among eight other girls.

They included: Marlene Pfefferkorn--Seniors; Marva Sutton--Juniors; Kathy Wolfe--Sophomores; Marcia Myers--Freshman; Louise Farrington--Band & Chorus; Jo Ann Voss--F.F.A.; Maggie Drerup--French & Spanish Clubs.

The 65-66 Prom was the largest and best prom in Waterloo's history. All five committees worked hard at decorating the gym for the occasion and often missed lunch or supper to get the job done.

Everyone enjoyed the music of, "The Boys". Refreshments were served to everyone. All in all, the Sweetheart Prom was a success and the Queen the most beautiful of any Queen ever before at Waterloo High School.

Janet has ruled our school with the grace, dignity, and poise becoming of her. May she never lose these fine qualities.

Queen and Court: Jo Voss, Louise Farrington, First Runner-up Marva Sutton, Queen Janet Bolen, Second Runner-up Kathy Wolfe, Maggie Drerup and Marcia Myers.

The Runners-Up Receive Acknowledgement

Miss Marva Sutton representing the Junior Class of 1967, received the title of first runner-up at the Sweetheart Prom last year. Besides being a cheerleader, she is a great asset to many clubs and organizations. Not only did the pert and pretty Junior take part in many school activities, but she also maintained her status as a good student.

Miss Kathy Wolfe who represented the Sophomore Class was given the title of second runner-up at the 65-66 Sweetheart Prom. Kathy is also a member of the cheerleading squad at W.H.S. which occupies a great deal of her time. She is known for her lively ways and bright personality. Kathy takes an active part in many organizations and activities at Waterloo High School.

Miss Bevington, the head of the art department, has taken her time and patience to teach the grade children the fundamentals of art. The children are being taught to make free hand designs.

The mobil units were brought in a few years ago, to supply the room needed for our fifth and sixth grades. The children are enjoying their recess break from class.

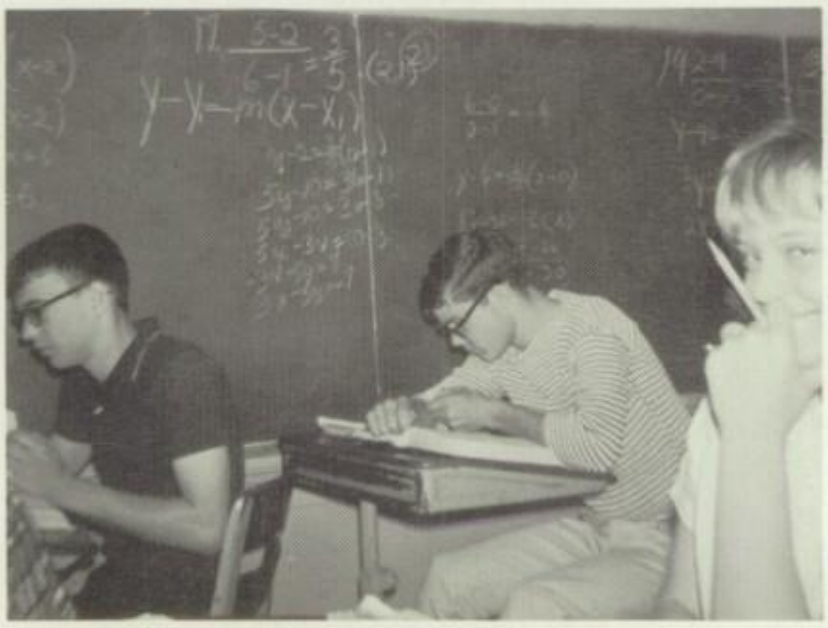
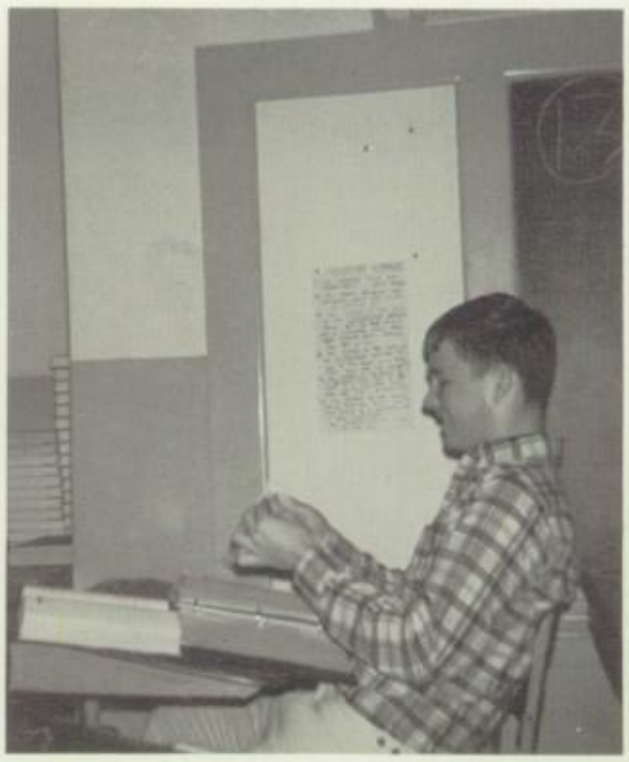
A birdseye view of WHSers hurrying to their next classes.

Waterloo halls seem more crowded year by year.

The Sophomores are busily at work in Mrs. Moore's English Class.



Marc, Carol, and Bob are very engrossed in getting their daily lessons ready for Geometry Class.



Rick Baker seems to have all his attention on the note he has just received.
Is this what study hall is for Rick?

Barb Tuttle "takes the cake" at our Senior Bake Sale in April.

The first paper drive the Seniors had they made an all-time record at W.H.S. on the papers brought in.

With hard work the Seniors made the candy store a success. Between selling at the ball games and at noon hour, it kept us all busy.

This paper drive was left up to the boys last November, while the girls made peanut brittle.

Jo and Barb busy at work.

Steve Slentz adds his cooking ability to this batch of peanut brittle, as Joe Lewis looks on.

Kaleen and Vick weigh and sack the peanut brittle.

Our Years of Memories

In September 1955, we, as first graders, started our first big day at Waterloo School. It was a big day for all of us; although fearful of this new experience, we soon grew to like it. That was twelve long years ago, but many remembrances come back to us.

The grades flew by and finally in September of 1964 we found ourselves in high school. At last we were big freshmen! When we started our Freshman year, we were told that we would not have a Senior trip.

During our Sophomore year we ordered our class rings, of which we were very proud. We also began to become more adjusted to high school.

We entered our Junior year with much confidence. This year brought about the purchasing of our class sweaters and jackets. Since we would be the last graduating class from W.H.S., we wanted a Senior trip. After much patience and hard work we were granted a Senior trip, on the condition that we earn enough money. We now had a special goal to work for--OUR SENIOR TRIP!

During the summer we worked hard on projects to help us earn money for our trip. Our Senior year was also filled with projects of some sort from the start. Among these were: a raffle on a Lowrey Organ, magazine sale, candy sale, plus many other miscellaneous projects. The year was ended with another musical stage play, sponsored by the Senior Class. The money brought in from the play and all the other projects during the year pushed us over our goal with a grand total of $6000.

This was our Senior year. It has been a happy and eventful year. Our class wishes to thank our sponsors, our parents, and everyone who made our trip possible. Now we are all awaiting the big day when we will receive our diplomas and be on our way toward our new goal in life. Yet we know that it will be a sad day, because we leave our friends and memories of W.H.S. We, the class of 1967, will close the doors of Waterloo High School forever. It was our school.

We'll Remember Always . . .

We, the Waterloo Senior Class of 1967 are proud and honored to close the doors of the Waterloo High School.

Although there will never be another graduating class from Waterloo, the memories of it will remain very strong within our hearts.

Waterloo was truly a small school but nowhere else could a person find a more loyal group of students who worked and stood behind their school.

The Class of '67 has just concluded another phase of their lives--a very important phase. We now are faced with the most difficult challenge of all--the future.

DAIRY QUEEN is Better

BETTER TASTING...

BETTER FOR YOU

**water-soluble, including ribo-flavin, niacin and thiamine, important vitamin B fractions.

Dairy Queen* is the modern refreshment for today's healthy, active people of all ages. Better tasting Dairy Queen malts, shakes, sundaes and other taste treats are served to you fresh from the freezer for finer flavor. Made from pure, pasteurized milk, Dairy Queen has more vitamins **, more bone-building minerals and muscle-toning proteins than an equal serving of ordinary ice cream. Fewer calories mean it's less fattening, too.

Come in today . . . and prove that Dairy Queen IS better!

Mr Moore - To a teacher who
taught me little chemistry
but a lot of biology (sex, that is).
— Joe Lee —

Autographs

Mr. Moore - To an intelligent??
but stubborn teacher who keeps
throwing (B.N) at me [you know who]
Thanks but us people who don't
smoke Tarylon would rather switch
than fight. But then theres good in
every thing even in a connisseur (I hoped spelled
it right) of women.

Mr. Hodges
to a very nice
teacher that
I like that
your student
